

Timetables can be viewed in different formats and can be viewed by Class codes, Department, Programmes of Study, and Room by clicking on the links at the top of the home page: Class, Activities, Programmes and Rooms respectively.

### Viewing by Class

Here timetables can be viewed by selecting the class code(s).

1. You can select the department that teaches the class.
2. If known you can search for the specific code by typing in the box and clicking the search button [...].
3. Select the class code(s) you wish to view. Hold down Ctrl to select more than one class code, up to six classes can be selected at one time.
4. Select the weeks you wish to view.
5. Select a weekday you wish to view.
6. Select a time range if it is different from the default 09:00 – 17:00
7. Select the type of view you wish to see. The grid timetable options will provide you with a timetable layout either for each class code selected individually or a combined timetable for all class codes selected if more than one class code is selected.
8. Click View Timetable to view selected timetable.
